SETTING

The majority of SPIN takes place in Manhattan -- in local diners, schools, parks, and subway stations.

In 2043, all scenes are within the same rideshare car.

AUDIENCE

SPIN is a mature character drama disguised as a coming-of-age Rom-Com. For that reason, it can attract a wide demographic -- including all four-quadrants. Its strength lies in its authentic portrayal of GEN-Z youths, with a relatable female lead and unique male love-interest.
